WASHINGTON FIRE COMMISSIONERS ASSOCIATION
CONFERENCE MEMORIAL SERVICE

Each year at annual conference, a memorial service is held for fire commissioners, secretaries and chiefs who have passed away during the year. In an effort to properly honor these individuals, we wish to gather complete information for the memorial service that will be held during the conference opening ceremonies. We will also use this information to compose a written tribute for each of the deceased which is distributed to all conference attendees. We ask that you fill out this form, include a brief background or obituary, and return it to the association office. If there is someone else in your district who could better supply the information, please pass this on to them.
