Thank You, Member Districts & RFAs

By Roger Ferris, Executive Secretary

On behalf of the Washington Fire Commissioners Association Board of Directors, I want to take this opportunity to thank member districts and regional fire authorities for your continued support of association operations.

The updated 2015 Fire Commissioner Handbook and Fire District Lawbook have been emailed to member personnel who have email addresses on file with the WFCA. If you do not use email, please check with your secretary to request a copy of this material or contact the WFCA office and we will provide one for you.

I want to thank each of you for your continued support of the WFCA.

As a WFCA member, your district/RFA was mailed copies of the 2015 Washington State Fire Service Directory, individually labeled for its intended recipient (one copy for each commissioner, chief and secretary). Additional copies are available through the WFCA office at $15 each.

Log-in credentials for the Official Online Fire Service Directory were mailed along with the hard-copy directories, so be sure to check out that feature and let the association office know if you find inaccuracies so we can correct our records.

Once again, I want to thank each of you for your continued support of the WFCA. The association office is here to help you; please contact us if we can be of service:

Toll-free telephone: 800.491.9322

PDC Filing Reminder

Fire commissioners must file a Personal Financial Affairs Statement (F-1) with the Washington State Public Disclosure Commission by April 15. The F-1 may be filed electronically or by mail any time between now and the April 15 deadline.

Forms and the e-filing application may be found under Filer Resources at www.pdc.wa.gov. Please contact the PDC staff for assistance with filing: pdc@pdc.wa.gov, 360.753.1111, or toll-free 877.601.2828.

NOTE: Commissioners serving small districts with less than 1,000 registered voters do not file the F-1.

A Message from the President by Jim Farrell

All of us must feel, after the Super Bowl on February 1st, a great let down. I think this season holds a real lesson for all of us as Fire Commissioners.

At the beginning of the season the team stumbled and had a difficult time. When Percy Harvin was traded to the Jets and a meeting was held, the main topic was team work. That meeting changed the course of the season.

As the season progressed, team members would deflect praise from the media about themselves and praise their fellow team members. Although there were many close games the Seahawks were able to win the division title and move on to the Super Bowl.

We as an organization face many of the same problems if we work like Percy Harvin and look only to ourselves and blame others when we don’t accomplish our goals.

We are currently working very closely with the rest of the fire community to accomplish jointly our strategic goals. The All-Risk Mobilization, Fire Service Training Bill, and North Bend Fire Training Academy rehab are three examples of how the fire service is working together to accomplish goals that we have in common.

We need to expand on this effort in our fire service community to build on goals to offer excellence in fire protection to the citizens of the state of Washington.

After the disappointment of those last seconds in the Super Bowl, Marshawn Lynch put it best when he said, “Football is a team sport.” We need to remember that whether we win or lose in our attempts to make the state of Washington a better place, it is a team sport, with all of us working for common goals. That is the best and most productive way to accomplish the goals of our Association.

Bylaws Changes Due May 15

May 15 is the deadline for submitting proposed amendments to the WFCA Articles of Association and Bylaws.

Please be sure to submit your proposals to the Bylaws Committee, c/o WFCA, P. O. Box 134, Olympia, WA 98507, fax 360.664.0415 or email wfca@wfca.wa.gov.

If you would like a copy of the current bylaws for review, please visit www.wfca.wa.gov or call the WFCA office at 800.491.9322.

2015 Saturday Seminar Series

The Washington Fire Commissioners Association is pleased to offer members the 2015 Saturday Seminar Series. Class descriptions are outlined below; see reverse for dates, times and locations. To register, please use the form provided. If you have questions concerning the seminars, please contact the WFCA office at 1.800.491.9322.

BOARD MEETINGS: BE COMPLIANT NOT DEFIANT

This seminar will be offered in Yakima and Ocean Shores

Presented by Attorney Kinnon Williams of Inslee, Best, Doezie & Ryder, PS

Are you running your board meetings the proper way? Are you following the letter of the law? This comprehensive class, for both new commissioners and those who have a few terms under their belts, will show you the ins and outs of running a board meeting the right way. Agenda writing, publishing minutes, executive sessions, disruptive attendees, resolutions your board is required to adopt and records retention are just some of the items that will be covered as part of this seminar. A mock board meeting will be conducted to give you examples of how to deal with real-life situations that may occur in your meetings. Imagine being there on-site to see how to properly deal with a variety of thorny issues as they arise and get your questions answered by Mr. Williams.

RISK MANAGEMENT: HOW TO PROTECT YOUR DISTRICT/RFA

This seminar will be offered in Chelan only

Presented by Mike McCall, Consultant for VFIS, MJ Consulting

There is no greater financial liability risk to fire districts and RFAs than personnel-driven lawsuits such as harassment, discrimination and wrongful termination, just to name a few. Mr. McCall will highlight and review the latest in personnel law trends facing the fire service and provide advice on what you can do within your district/RFA to mitigate exposure to such claims. This is a great opportunity for both paid and volunteer administrative staff and commissioners to stay ahead of the litigation game.

WFCA SELF-FUNDED HEALTH CARE PROGRAM

Offered in Ocean Shores and Chelan

Presented by Jim Lux, WFCA Health Care Manager

It’s hard to believe that the country is moving into its sixth year under federal health care reform. So far your Health Care Program has accommodated both federal and state regulatory changes as well as changes in the marketplace without compromising benefits or experiencing significant increases in premiums. Beginning at 8:00 a.m. at the Ocean Shores and Chelan Seminars, please join Mr. Lux for a one-hour discussion of where we are in this changing health care environment. Attendees are encouraged to come learn and share your thoughts.
