PETITION FOR MERGER

We, the undersigned registered electors of _________________________ County Fire Protection District No. _______ (the merging district), request the merger of _________________________ County Fire Protection District No. _______ (the merging district) with _________________________ County Fire Protection District No. _______ (the merger district). The merging of these fire protection districts will be of benefit for public safety and protection of property. It is understood that the obligations imposed upon the residents and others of _________________________ County Fire Protection District No. _______ (the merging district) shall be the same as those of _________________________ County Fire Protection District No. _______ (the merger district). The authority for the proposed merger and petition for merger are authorized under RCW 52.06 (Chapter 52, Laws of Washington).

NOTE: Any special levy, bond issue, or special assessment must be included with petition.
